up to 20 metres	€1.24
at least 20 but less than 60 metres	€1.57
60 metres or more	€1.72

Collective agreement on working time regulations in area maintenance contracting

A Saturday bonus of €3.40/h is payable for work done on Saturday that is not shift work, overtime or emergency work, except on Easter Saturday if the employee qualifies for the increase referred to in section 11.3 of the collective agreement. Standby compensation will be €22.75 per standby day as of 1 October 2014.

Continuous two-shift work

The working time averaging bonus is 4.9 %.

Pay scales

An employee who has completed the practical part of a qualification in vehicle crane operating will be assigned to pay scale 3 or a higher scale.

Factors increasing the job-specific supplement

An employee's current job-specific supplement must be increased on meeting a requirement factor referred to in section 15 of the remuneration scheme. The increased supplements will remain payable while the employee's duties satisfy the said requirements.
