# **NO AGREEMENT STATUS AND OVERTIME PROHIBITION**

**In all the Finnish  
Construction Trade  
Union's collective agree-  
ment sectors starting  
from 1 March 2018**

## **During the overtime prohibition**

**all the employees of the Finnish Construction Trade Union's collective agreement sectors will work only from Monday to Friday at 07:00–16:00.**

**Working hours that deviate from this and that were already valid before 1 February 2018 can continue normally. Shiftwork or other deviating working hours starting after this may no longer be continued or started.**

## **All on-call work**

**taking place outside of Mon-Fri at 07:00–16:00 must end. Emergency work will be done, but nobody is on-call for possible emergency work.**

**If the negotiations do not progress, we will escalate our actions.**

**Please update your bank account number at the Finnish Construction Trade Union's electronic member service, eAsiointi, for possible industrial actions.**

**Please check also that your member information is up to date.**
