

**ASPHALTING TRADE 2015  
(asfalttiala)**

**PAY RISES AS OF 1 JUNE 2015**

Wages will increase as of the start of the wage payment period beginning soonest after 1 June 2015.

**General wage increase** 0,4 %  
**Piecework pay increase** 0.4 %

**Time rates**

Wages according to the time rate scheme are reckoned on the basis of the following three factors:

1. The pay scale rate
2. A personal wage element (based on point scores with each point representing one per cent)
3. A further vocational qualification allowance of €0.31/h and a special vocational qualification allowance of 0.72 €/h.

**Pay scale**

1	9,89 €/h
2	13,66 €/h
3	14,53 €/h
4	15,37 €/h
5	16,23 €/h

**Shift work bonuses**

**Evening shift bonus** of 1,44 €/h

**Night shift bonus** of 4,75 €/h for work done between 21.00 and 05.00. Bonus of 1,44 €/h for deferred working time (between 16.00 and 21.00).

**Production bonus work**

An employee's pay is determined by the following factors in production bonus work:

1. The production bonus work pay scale rate.
2. A production bonus based on output.
3. A piecework pay supplement to the production bonus.

A new fixed pay scale rate will be paid instead of the foregoing points 1 and 2 at sites of less than 50 tonnes. A further vocational qualification allowance of 0.31 €/h and a special vocational qualification allowance of 0.72€/h will be paid in addition to the pay scale rates (pay scale rate, fixed pay scale rate and total hourly rate).

The production bonus pay scales are the same as those of the time rate scheme.

**Production scale**

pay scale	€/h	worksites of less than 50 tonnes €/h	total pay for production bonus work €/h
1	7.44	12.60	12.16
2	10.28	15.49	14.98
3	10.92	16.16	15.63
4	11.56	16.82	16.25
5	12.21	17.47	16.90

Production must be not less than 4.89 €/h by weekly tracking period in 2015.

**Travelling time compensation** of 11.12 €/h.

Except on pay scale 1, which is according to the pay scale.

### **Sick leave waiting time regulations**

No waiting days are required when:

- a) continuous employment has lasted for at least one year.
- b) the employee has remained in seasonal road surfacing work with the same employer:
  - over the preceding 3 years
  - in consecutive work periods
  - in employment periods lasting for longer than 2 months totalling not less than 12 months.

There is no waiting period when sick leave exceeds 9 ordinary weekdays.

### **Shop steward**

A regular employee or, in the case of seasonal operations, a temporary employee in work, who is a member of the Construction Trade Union and familiar with conditions in the represented trade and enterprise, may be elected chief shop steward for an enterprise or an agreed area.

### **Working time reduction leave**

Unless otherwise locally agreed, the employer may not require an employee to take working time reduction leave earned in seasonal work before 30 September only after the work season has ended.

### **Paid public holidays**

Compensation is payable for working on New Year's Day, Epiphany, Good Friday, Easter Monday, Ascension Day, 1 May, Midsummer's Eve, Christmas Eve, Christmas Day and Boxing Day, provided that employment has continued for at least 6 weeks. Continuous employment of 6 weeks is deemed to arise on the conditions specified in the formula set out in paragraph 1 of section 22 of the asphaltting industry collective agreement. The compensation will comply with the time rate pay scale excluding the personal wage element and vocational qualification allowance.

<b>Per diem allowance</b> .....	40 €
<b>Overnight allowance</b> .....	12 €/day
<b>Compensation for travelling costs</b> by passenger motor vehicle	0,44 €/km
Daily work-related travel according to public transport rates.
