**Sick pay**

The sick pay corresponds to the average hourly earnings of the 12 previous wage payments. A self-notification procedure must be agreed in companies for common cold type absences lasting no more than 3 days. The parties may not agree that a medical certificate should always be submitted as proof of absence.

**Separate pay component**

The employee will be paid a separate pay component of 7.7% as a weekday public holiday compensation for Epiphany, Good Friday, Easter Monday, May Day, Ascension Day, Midsummer, Christmas Eve and Christmas Day in connection with every wage payment.

The separate pay component also includes the accrued days off allowance. The Act on Celebrating Independence Day as a Public Holiday applies to paying wages for Independence Day. On Independence Day, employees are entitled to full pay if the day would otherwise have been a working day.

The separate pay component of 7.7% is also paid to those working reduced hours. The separate pay component must be itemised in the payslip. The separate pay component may not be included in the employee's time rates, piece rates or bonus pay. The separate pay component does not count towards the holiday bonus.

**The amount of the holiday bonus**

will be 18.5% of the wages paid during the employment period. A 14% holiday bonus will be paid before the beginning of summer holiday and 4.5% before the beginning of winter holiday.
