configured as process colours (CMYK).

PSO_MFC_Paper-eci.icc profile is used in
CMYK conversion.

The advertising customer is responsible and liable to pay compensation for any damages its advertising might cause to a third party or the magazine. The aim is to publish all approved advertisements on the designated date.

However, if an advertisement cannot be published due to reasons not related to production, other operational reasons (such as a

strike) or reasons attributable to the customer or a subcontractor, the magazine is not responsible for any losses or damages suffered by the advertising customer.

The magazine's liability for omission of an advertisement or error in publishing is limited to refunding the amount paid for the advertisement.
